## SnowFlake Hat

Size 8 circular needle, you could also use straight needles for this pattern. You would need to purl the odd rows starting with row 7.
1 skein worsted weight Sugar and Cream all cotton yarn (3 oz)
~ $10 z$ - contrasting color yarn for snowflake
Choose Pattern 1 or Pattern 2 to follow. Cast on 100 stitches.

Hint: I use a 4-5 inch of scrap yarn with a slip knot tied in it to mark the beginning of the row instead of buying a row marker.

Row 1-6 (ribbing): knit 1, purl 1 across the row to create ribbing.

Row 7-11: Knit across row.
Row 12: At the beginning of the row tie in you contrast color yarn to the main color. The patterns below expect you to carry the yarns together. To accomplish this, I usually pull the yarn that I am not working with over the working yarn every $3^{\text {rd }}$ stitch, then work the next stitch catching the $2^{\text {nd }}$ strand of yarn against the work. This prevents you from creating large unmanageable loops of yarn inside the hat. (see photo) Depending on the pattern you chose, repeat the pattern five times across the row carrying both stands as you go. The X's on the

pattern indicates a knit stitch in your contrasting color. A blank square indicates a knit stitch using your main color.

Row 13-27 Knit as per chart below repeating the pattern 5 times across the row. Pattern 1 completes at row 22, knit in main color only for rows 22-27. Pattern 2 completes at row 27.
